I received your quartley report. Thank you.

I don't know what to tell you about Ed. Miranda's not here today but I think Ed will get back to it and finish before too long. Just make sure you've got all your petition contact's lined up to gather quickly when the MDP and ER are approved.

Good afternoon,

Attached is the San Pedro Historic Waterfront PBID 2016 4th Quarterly Report. I have put the original in the mail.

On another note, I do not want to be insensitive to Ed's wife passing away but do not want my BID renewal to be delayed. I'm not sure what else the MDP needs that he was referring to in his email. I went in and tried to make the language consistent. Anyway, I will wait another week and then reach out to him.

Best regards,
